**Orchard Primary School is hosting a Careers' Aspirations Day on
Thursday 6th December 2018**

Our Careers Aspirations Day will be on Thursday 6th December. Last year this was a great success and we had lots of people come in to talk to the children about their job/career. The aim of these days is to highlight the variety of jobs that the children may aspire to and which skills each career requires.

We are hoping that this year the day will be just as successful and we have already arranged for some local businesses and professionals to come into school but we are still looking for more. It was great to see so many parents/carers and their family and friends come into school last year and we would love to see them again this year.

If you (or someone you know) could spare us an hour or more and would like to be involved, please complete the form below and return to school as soon as possible. You may wish to talk about: related school subjects, education/training, personal skills and a typical day. You may also want to consider: child friendly games and presentations, hands on activities or resources.

Please complete the following form and return it to **Mrs Harvey by Friday 16th November**. Please provide contact information so we can send you confirmation regarding the schedule for your presentation and work with the children. Please feel free to contact Mrs Harvey on 0208 300 4878 or via email hharvey2.303@lqfilmail.org if you have any questions.

Orchard Primary School

Yes I can attend your Careers' Aspirations Day on

Thursday 6th December 2018

Name: _____
