January 2017

HAPPY NEW YEAR TO THE ORCHARD PRIMARY FAMILY

Welcome back, everyone - we are looking forward to a happy and healthy 2017!

Road Safety

During this term the children will be working with other local schools to develop a road safety campaign. Parents are reminded to make use of the Conservative Club car park and to keep well clear of the zig-zag markings outside the school.

Parent Workshops

We will be holding some Parent Workshops this month after Gold Book Assembly. The following two topics often concern parents:

1. Helping to Keep Your Child Safe Online - 20/1/2017
2. Positive Parenting- 27/1/2017

Early Bird Week

In the week beginning Monday 30th January, we will be holding a competition. For each morning your child is in school **on time**, they will be entered into a draw to win a prize. There will be a prize for a **junior**, an **infant**, and one for a **parent!** The prizes will be awarded in Gold Book assembly on Friday 3 February 2017. **Let's aim for 100% on time!**

Successful Children at Orchard Primary
Many of our children take part in clubs at school, as well as clubs outside school hours.

Well done to Tom Year 3 for taking part in a Santa Fun Run.

Congratulations to our school boxing team for a very spirited performance!

Orchard School Choir

The Choir are taking part in a project with Miss Hale (VSO Nigeria) called 'Go Back to School'.

They will be involved in fund-raising to help a Nigerian child return to school - the money will fund their school fees, uniform and stationery.

Some Thoughts for the New Year
