SKATE AND SCOOT – PTA FUNDRAISER

FUDGE Day

At the end of last half term, the children enjoyed a fantastic, fun filled day, learning some amazing things from Fathers, Uncles, Dads, and Grandads. Archery, Cricket, Judo Landscaping and Bus driving were some of the activities the children found out about. A big thank you to Mrs Gwillam and Mrs Johnson for all their hard work organizing this great experience and to all the **FUDGE** helpers!

Visits

There have been a number of exciting visits during the last half term. Year 6 went bowling to celebrate the end of SATS, Nursery went to the library, Reception visited Tesco, and Year 4 went to the zoo and Wide Horizons. *The Naughty Bus* visited school and the Nursery children were treated to bus rides around the playground

Healthy Eating Week 13th June

For the week beginning 13th June, we will be encouraging the children to think about healthy eating. If your child eats a packed lunch, please help us by sending in a healthy packed lunch.

Reminders

- Please check regularly for **head lice**
- Please ensure that your child has the **correct school uniform**, including black school shoes or **plain** black trainers.
- **PE kits** must be in school every week, as the children must change for PE and PE is an important part of the curriculum.

Summer Time

The summer term is now upon us, and although there is plenty of shade in the playground, it is a good idea to make sure that you have put sunscreen on your child in the morning. They may wear a sun hat.
